Audinate is also aware of the upcoming requirements under Articles 6 to 12 of Regulation (EU) 2025/40, including but not limited to design-for-recycling criteria, minimum recycled content in plastic packaging, packaging minimization and packaging labelling requirements. Audinate is proactively engaging with its packaging suppliers to gather the information necessary to demonstrate conformity in advance of the relevant application dates.

Regarding Producer registration and Extended Producer Responsibility (EPR), Audinate does not meet the definition of "producer" under Article 3, point (15) of Regulation (EU) 2025/40, in respect of the products listed above. Audinate sells directly to independent, unaffiliated distributors established in the European Union with transactions invoiced by Audinate Pty Ltd from Australia, and with no involvement of Audinate Belgium SRL in the sale, importation, or customs clearance of the relevant goods.
