AUDINATE

# Dante AVIO™ Products California Prop 65 Compliance Statement

**Background**

Proposition 65, officially known as the Safe Drinking Water and Toxic Enforcement Act of 1986, protects the state's drinking water sources from being contaminated with chemicals known to cause cancer, birth defects or other reproductive harm, and requires businesses to inform Californians about exposures to such chemicals.

**Statement**

Audinate makes its Dante AVIO family of adapters available for purchase to residents of California through a network of distributors and resellers.

Audinate's Dante AVIO adapters contain chemicals that are included in the Proposition 65 List. Therefore, Audinate will be including the required warning labels in the product to comply with the legal requirements in the state of California.

The following message will be included with the product to notify residents in California.

⚠ WARNING: This product can expose you to chemicals including Nickel which is known to the State of California to cause cancer, and Bisphenol A which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

Authorized retailers who sell the product online to residents in California will also need to display the following message clearly on the product page before customers start the purchase process.

⚠ **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.
